17. I'M OFF TO TOWN THIS MORNING

I'm off to town this morning and I walk like this

Walk like this, walk like this

I 'm off to town this morning and I walk like this

All on my way to town

I see a big yellow train and I run like this
this

Run like this, run like

I see a big yellow train and I run like this

All on my way to town

I see a little blue boat and I splash like this

Splash like this, splash like this

I see a little blue boat and I splash like this

All on my way to town

I see a plane in the sky and I fly like this

Fly like this, fly like this

I see a plane in the sky and I fly like this

All on my way to town

I see a speedy red car and I toot like this

Toot like this, toot like this

I see a speedy red car and I toot like this

All on my way to town

I hear my mummy calling and I hop to her

Hop to her, hop to her

I hear my mummy calling and I hop to her

All on my way to town
