20. THIS IS HOW WE PLANT

Chorus:

This is how we plant a bean,
In our garden, in our garden,
This is how we plant a bean, (walk in circle)
In our pretty garden green.

Now we plant it with our foot, (While standing, 'plant' bean with foot)
In our garden, in our garden,
Now we plant it with our foot,
In our pretty garden green.

Chorus

Now we plant it with our hand, (Kneel down and 'plant' bean with hand)
In our garden, in our garden,
Now we plant it with our hand,
In our pretty garden green.

Chorus

Now we plant it with our elbow, (Crouch down and 'plant' bean with elbow)
In our garden, in our garden,
Now we plant it with our elbow,
In our pretty garden green.

Chorus

Now we plant it with our knee, (While kneeling, 'plant' bean with knee)

In our garden, in our garden,
Now we plant it with our knee,
In our pretty garden green.

Chorus

Now we plant it with our chin,
In our garden, in our garden,
Now we plant it with our chin,
In our pretty garden green.
