

LITTLE KIDS COURSE CD A

21. ONCE I CAUGHT A FISH ALIVE

One, two, three, four, five (count with the fingers)

Once I caught a fish alive (join your hands like having a fish inside them)

Six, seven, eight, nine, ten (count with the fingers)

Then I let him go again (open your hands like sending the fish away)

Why did you let him go? (open your hands like making a question?)

Because he bit my finger so (hold your fingers with a pain face)

Which finger did he bite? (show all the fingers)

This little finger on my right (hold the little finger in your right hand)

Auk!!!!
