9. BOUNCING BILLY

Bouncing Billy was a clown

The hat he wore was big and round (hold the hat)

He danced his way across the town

Bouncing, bouncing up and down. (Billy bounces high in the air)

Bouncing Billy was a clown

Whose feet would not stay on the ground (hold Billy's shoes)

He went in circles, round and round

Bouncing, bouncing up and down. (Billy bounces high in the air)

Bouncing Billy was a clown

He bounced until the sun went down (Billy bounces once high and down)

But when the cock began to crow

Bouncing, bouncing he would go. (Billy bounces high in the air)

Bouncing Billy bounced one night

Late beneath the pale moonlight (Billy points high at the moon)

He bounced so high his face went white

And Billy bounced right out of sight! (Billy bounces high in the air)
